ENGINEER'S CERTIFICATE TO ACCOMPANY
APPLICATION FOR A BUILDING PERMIT

DATE _____

BLOCK: _____ LOT: _____

This is to certify that the attached plan, prepared under my immediate supervision, is submitted as an exhibit for an application for a BUILDING PERMIT and conforms in all provisions of Ordinance No.92-31-OAB, as adopted by the Township Council on August 11, 1992.

It is further understood that the same provides for appropriate site grading that will provide for adequate surface run-off from the site, without detrimental effects on the adjoining properties.

Said grades take into account the elevation of the seasonal high water table conditions, as related to the septic system design and potential detrimental effects same may have on basement construction if proposed.
